

Daily Wellness Check

WE NEED YOUR HELP!

HIDOE employees, contracted service providers, visitors and students must complete a wellness check each morning before going to school or work if fully vaccinated or not. Please report any illness or COVID-19 exposure to the school or supervisor.

CHECK FOR COVID-19-LIKE SYMPTOMS OF ILLNESS

If any symptoms of illness are present,
do not go to school or work.

- Fever (higher than 100°F or hot to the touch)
- Chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

Anyone with COVID-19 symptoms, even mild symptoms, should stay home from school, work and other activities. Those with symptoms who have not been tested should be tested as soon as possible.

**HELP US TO KEEP OUR SCHOOLS
HEALTHY AND SAFE!**

Return to School/Work Criteria

Revised 2/1/22

Day zero is the day of close contact, positive test, or onset of symptoms.

AGES 18+ NOT BOOSTED or FULLY VACCINATED RECENTLY
PARTIALLY VACCINATED
NOT VACCINATED

AGES 18+ BOOSTED or FULLY VACCINATED RECENTLY

Moderna within 5 months
Pfizer within 5 months
J&J within 2 months

AGES 5-17 FULLY VACCINATED

Except High Risk Activities*

RECOVERED FROM COVID-19 IN THE LAST 90 DAYS

CLOSE CONTACT

with a person who has COVID-19

QUARANTINE

- Stay home 5 days after close contact. If ongoing close contact, quarantine 5 days after the person with COVID is released from isolation.
- A well-fitting mask must be worn at school.
- Test recommended on day 5.
- Watch for symptoms 14 days after close contact.
- If symptoms develop, immediately isolate and get tested.

NO QUARANTINE

- A well-fitting mask must be worn at school.
- Test recommended on day 5.
- Watch for symptoms 14 days after close contact.
- If symptoms develop, immediately isolate and get tested.

POSITIVE for COVID-19 regardless of vaccination status

ISOLATE

Stay home until all of the following conditions are met:

- 5 days after symptoms first appeared or 5 days after test collection if no symptoms,
- 24 hours with no fever without use of fever-reducing medications, and
- Symptoms improved.
 - If symptoms are not improved, stay in isolation up until day 10.

A well-fitting mask must be worn at school.

COVID-19 SYMPTOMS (even mild)

ISOLATE AND GET TESTED FOR COVID-19

Stay home until all of the following conditions are met:

- 5 days after symptoms first appeared or a negative test result,
- 24 hours with no fever without use of fever-reducing medications, and
- Symptoms improved.
 - If symptoms are not improved, stay home up until day 10.

A medical provider may use clinical judgment to allow return sooner than 5 days when there is low suspicion of COVID-19 or diagnosis of another health condition (e.g., allergy or asthma).

***HIGH RISK ACTIVITIES**

Activities that do not allow for masking and distancing (e.g., athletics or choir)

- Positive students may not participate in high-risk activities until **10 days** after symptoms first appeared or test collection date if no symptoms.
- Student close contacts not up to date with all recommended COVID-19 vaccines **and** boosters for their age group must remain out of high-risk activities **10 days** after the close contact.

MASK

Individuals who are not able to wear a mask consistently or correctly at school (e.g., preschool age or mask exemption due to a medical reason) and test positive or are a close contact, must isolate or quarantine **10 days**, regardless of vaccination status.
